### GOALS AND OBJECTIVES

To provide strength, promote self reliance, enhance the unity of our people and improve the opportunities for meaningful employment through self-determined activities and building employment and training capacity, now and seven generations into the future.

### OBJECTIVES ARE;

- ◆ Administer programme intervention dollars to Employment Units and Friendship Centres to fund eligible clients for employment and training programmes.
- ◆ Match eligible clients with employers, promoting a growing number of motivated job qualified individuals ready to start careers.
- ◆ Build relationships with community colleges, private training institutes and businesses across the province to create training and employment opportunities for Ontario's urban Aboriginal people.
- ◆ Provide employment and training opportunities to Aboriginal clients who are not eligible through First Nation, Inuit or Métis agreements.
