Background

Consultations were held between the off-reserve Aboriginal community, Ministry of Community and Social Services. Provisions were made to design and implement Aboriginal based life long care services for those people who are: frail, vulnerable and at risk Seniors/Elders, Disabled and Chronically ill.

The Ontario Federation of Indian Friendship Centres (OFIFC) entered an agreement with the province to provide life long care services through Friendship Centres of Ontario.

Subsequently, the N'Swakamok Indigenous Friendship Centre (NNFC) signed an agreement with the OFIFC to administer and deliver services under the Life Long Care Program. We have two Care Support Workers.
